

RE: COVID_19 affidavit of mutual consent to follow social distancing guidelines

This agreement is to provide mutual consent between you (the homeowner) and your contractor (Dave Fox Design-Build Remodelers) to avoid face to face contact during remodeling activities in the home located at: _____.

As your remodeling contractor, Dave Fox Design-Build Remodelers agrees to safety measures during the COVID-19 pandemic as outlined by our Safety Guidelines you received. This includes creating a quarantined space where the remodeling activity is taking place (at your home).

For the safety of all parties, we agree to contain our staff and subcontractors within the quarantined area at all times and will not enter any unquarantined area in your home except for required access and egress to and from the quarantined area. While obtaining access and egress, our employees will be wearing PPE including masks and maintain a social distance of at least 6 feet.

We ask that you and all your family members and/or guests refrain from entering our quarantined work area while any of our staff or subcontractors are working as well. Should you need to contact them, if you are unable to speak through the quarantined barriers, we will provide you with a phone number to reach them during the day.

We appreciate your understanding and cooperation during this time.

I (the homeowner) agree that no one in my family, and no guests will enter the quarantined work area while there is any work taking place at my home.
